

THE LAW

The greatest form of power and influence over people in America is done through our laws and policies. If you want to enact new laws, change policy, if you have a problem with our government, remove an official from office, change the political landscape, this might be a good place to start. If you're looking for someone to blame for failed policies, problems with law enforcement, impeach the President, balance the budget, if you want to know who'swasting yourtaxmoney, starthere with the Congress.

“THE LAW”: According to the law, in America, any person who is arrested and charged with a crime, that person is considered “innocent, until proven guilty”. However, being an ex-convict
